

What is the ACCC?

The American Council of Christian Churches is a fundamental, multi-denominational organization whose purposes are to **provide** information, encouragement, and assistance to Bible-believing churches, fellowships, and individuals; to **preserve** our Christian heritage through exposure of, opposition to, and separation from doctrinal impurity and compromise in current religious trends and movements; to **protect** churches from religious and political restrictions, subtle or obvious, that would hinder their ministries for God; and to **promote** obedience to the inerrant Word of God.
